

NJUCM 2023 Guidebook for Overseas Postgraduate Program Applicants

I. Application

(1) Eligibility for Application

- Applicants must be a citizen of a country other than the People's Republic of China, and be in good health, and good character.
- The applicants for master's programs must have a bachelor's degree. The applicants for doctoral programs must have a master's degree.
- All applicants require to have at least two written recommendation letters from two associate professors or scholars with equivalent or above academic titles related to the major applying for.
- Applicants applying for a Chinese Medicine professional degree (in clinical) Master program, should have graduated from a 5-year (Full-time) Chinese Medicine related program of a university in the mainland of China, and obtained bachelor's degree from the above-mentioned university.
- Applicants for Chinese-taught programs should obtain a minimum score of 180 or above in New HSK Level 5.
- International applicants, with former permanent residency in P.R. China (Mainland), China-Hong Kong, China-Macau or China-Taiwan having emigrated abroad, must provide evidence for possession of current valid foreign passport or nationality documentation for more than 4 years (inclusive), and evidence or proof of actual residency abroad for more than 2 years within the previous 4 years period calculated by the 30th of April prior to the end of the academic year (actual residency is calculated by total of residency abroad for more than 9 months per year, subject to valid entry and exit date stamps on travel document).

(2) Application Materials

- Nanjing University of Chinese Medicine Application Form for Foreign Students.
- Scanned copy of passport (passport must be valid within 6 months from the date of submitting the application).
- Scanned copy of the highest academic qualification and/or degree certificate: please submit scanned copy of the graduation certificate and/or degree certificate; If the applicant is a in-school student, he/she must submit a scanned copy of enrollment certificate.
- Two recommendation letters written in Chinese or English from two associate professors or scholars with equivalent or above academic titles related to the major applying for.
- Chinese-taught programs applicants need to submit a copy of HSK5 Certificate.
- Certificate of health check.
- Proof of no criminal record.

h. Financial guarantee proof (proof of deposit), if the deposit is in the name of the applicant's relative, a certificate of relative relationship is required.

i. Digital Photo: 2-inch color photo, hatless, white background without border. The head occupies 2/3 of the photo size, and the photo size is no less than 320*240 Pixel, aspect ratio is 4:3, size is 100-500KB, JPG Format photo, named by passport number.

(3) Study Mode

Full-time study.

(4) Application time

From March 2023 to June 2023.

II. Form of Assessment

Application Assessment and Evaluation

Assessment will be conducted on relevant core knowledge, research capability and language proficiency.

Assessment will be conducted through on-site, phone or video interview.

III. Acceptance

Merit-based admission is granted only to qualified applicants by the school. The admission notice and related enrollment information will be forwarded to qualified applicants by school in July, 2023.

IV. Admission

- The admission schedule and other matters are subject to the announcement of the International Education College of NJUCM.
- The admitted applicants should bring their original passports, "Admission Notice", and "Visa Application Form for Foreign Students Studying in China" to the Chinese Embassy (Consulate) to apply for an Entry Study (X1) Visa, and register in Nanjing University of Chinese Medicine with the above documents according to the "Admission Notice" at the time specified in the above.
- Students who submit the enrollment certificate issued by the original school at the time of application must submit the original or notarized copy of the academic credentials as required when they are admitted to NJUCM. If academic credential is not provided, applicant enrollment offer will be withdrawn. If foreign student fails to register during official admission dates as required and did not provide a valid reason prior, they will be disqualified for admission. The original copy of the "Foreigner Physical Examination Form" must be submitted for verification when registering during admission date.

V. Degree Conferred

Students who have completed the course, passed the thesis defense and passed relevant deliberation, and comply with the provisions of the "Regulations on Academic Degrees of the People's Republic of China", can obtain the corresponding degree certificate and graduation certificate.

2023 NJUCM POSTGRADUATE MASTER' S PROGRAM LIST FOR INTERNATIONAL STUDENT

Conferred Degree	Enrolling Department	Specialty	Research Fields		
Academic Masters	002 The First school of Clinical Medicine (Jiangsu Province of Chinese Medicine)	100201 Internal Medicine	Study of Internal Diseases		
		100207 Medical Imaging and Nuclear Medicine	Study of Medical Imaging and Nuclear Medicine		
			Study of Medical Imaging and Nuclear Medicine (Ultrasound)		
		100208 Clinical Laboratory Diagnostics	Study of Clinical Laboratory Diagnostics		
		100210 External Medicine	Study of Surgical Diseases		
		100506 Chinese Internal Medicine	Study of Chinese Internal Medicine Diseases		
			Classical Prescriptions: Prescription Syndrome Studies		
		100507 Chinese External Medicine	Study of General Surgical Diseases		
			Study of Anorectal Surgery Diseases		
		100508 Orthopedics and Traumatology in Chinese Medicine	Study of Orthopedics and Traumatology Disease in Chinese Medicine		
		100509 Gynaecology in Chinese Medicine	Study of Gynaecology Diseases in Chinese Medicine		
		100510 Pediatrics in Chinese Medicine	Study of Pediatric Disease in Chinese Medicine		
		100511 Ophthalmology and Otorhinolaryngology in Chinese Medicine	Study of Otorhinolaryngology Disease in Chinese Medicine		
		100512 Acupuncture Moxibustion and Tuina	Effective Patterns and Mechanism in Acupuncture and Moxibustion		
		100602 Clinical Integrated Chinese and Western Medicine	Study of Internal Diseases in Integrated Chinese and Western Medicine		
			Study of Surgery in Integrated Chinese and Western Medicine		
		100800 Chinese Materia Medica	Study in Pharmacology of Chinese Medicine		
		Professional Masters	002 The First school of Clinical Medicine (Jiangsu Province of Chinese Medicine)	105701 Chinese Internal Medicine	Clinical Study of Chinese Internal Medicine Diseases
				105702 Chinese External Medicine	Clinical Study of General Surgical Diseases
					Clinical Study of Anorectal Surgery Diseases
105703 Orthopedics and Traumatology in Chinese Medicine	Clinical Study of Orthopedics and Traumatology Disease in Chinese Medicine				
105704 Gynaecology in Chinese Medicine	Clinical Study of Gynaecology Diseases in Chinese Medicine				
105705 Pediatrics in Chinese Medicine	Clinical Study of Otorhinolaryngology Disease in Chinese Medicine				
105706 Ophthalmology and Otorhinolaryngology in Chinese Medicine	Clinical Study of Otorhinolaryngology Disease in Chinese Medicine				
105707 Acupuncture Moxibustion and Tuina	Patterns of Clinical Application in Acupuncture and Moxibustion				

Conferred Degree	Enrolling Department	Specialty	Research Fields
Professional Masters	002 The First school of Clinical Medicine (Jiangsu Province of Chinese Medicine)	105709 Clinical Integrated Chinese and Western Medicine	Clinical Study of Internal Diseases in Integrated Chinese and Western Medicine Clinical Study of Surgery in Integrated Chinese and Western Medicine
		105710 General Medicine (Chinese Medicine, Doctorate not Conferred)	Study of General Practice Theory in Chinese Medicine
		105600 Chinese Materia Medica	Effectiveness and Safety Evaluation of Chinese Medicine (Clinical Practice Included)
Academic Masters	003 School of Acupuncture and Tuina, School of health and Rehabilitation	100512 Acupuncture Moxibustion and Tuina	Effective Patterns and Mechanism in Acupuncture and Moxibustion
Academic Masters	004 School of Medicine & Holistic Integrative Medicine	100706 Pharmacology	Oncopharmacology
Professional Masters		105500 Pharmacy	Medicinal Chemistry
Academic Masters		100101 Pharmacy	Brain Circuit and Functions
		100102 Immunology	Chinese Medicine Immunology
		100104 Pathology and Physiology Pathology	Metabolic Regulation and Disease
		071003 Physiology	Neurophysiology
		100701 Medicinal Chemistry	Synthetic Drug Chemistry
			Natural Medicine Chemistry
Medicinal Chemistry Biology			
100702 Pharmaceutics		Drug Synthesis Methods	
	Chemical Pharmaceutics		
	Biopharmaceutics		
100704 Pharmacoanalysis	Drug Materials		
	Pharmacoanalysis Methods		
	Analysis of Intracorporal Process of Medicine		
100705 Microbiology and Biochemical Pharmacy	Metabolism and Metabolomics in Medicine		
	Microbial Drugs and Intestinal Flora		
100706 Pharmacology	Biotechnology Drugs and Synthetic Biology		
	Neuropsychopharmacology		
	Digestion and Oncologic Pharmacology		
	Cardio- Cerebrovascular Pharmacology		
100800 Chinese Materia Medica	Pharmacology of Anti-Inflammatory Immunity and Metabolic Diseases		
	Evaluation of Chinese Medicinal Resources and Identification		

Conferred Degree	Enrolling Department	Specialty	Research Fields		
Academic Masters	005	School of Pharmacy	100800 Chinese Materia Medica	Chinese Materia Medica Effective Substances	
				Chinese Materia Medica Processing	
				Chinese Materia Medica Pharmacology	
				Chinese Materia Medica Pharmacology	
Professional Masters	005	School of Pharmacy	105500 Pharmacy	Drug Efficacy and Druggability Evaluation	
				Pharmaceutical Quality Control	
				Pharmaceutical Preparations and Product Development	
				105600 Chinese Materia Medica	Exploitation and Comprehensive Utilization of Chinese Medicinal Resources
					Chinese Medicine Quality Control Technology and Methodology
					Pharmaceutical Technology and Product Development in Chinese Medicine
Academic Masters	006	School of Health Economics and Management	120400 Public Administrations	Community Medicine and Health Service Management	
				101100 Nursing	Clinical Nursing
Academic Masters	007	School of Nursing	101100 Nursing	Community Nursing	
				Geriatrics Nursing	
				Nursing Management	
				Integrated Chinese and Western Medicine Nursing	
				Professional Masters	007
Nursing Management					
Chinese Medicine Nursing					
Geriatrics Nursing					
Academic Masters	011	Institute of Literature in Chinese Medicine	100503 History and Literature of Chinese Medicine	Study on Literatures and Schools of Chinese Medicine	
				Study of Compatibility and Clinical Application for Chinese Medicine Prescriptions	
				Study of Clinical Literature in Chinese Medicine	
				Clinical Application of TCM Classics Theories	
				Traditional Chinese Studies for Chinese Medicine	
Academic Masters	013	The Second School of Clinical Medicine, The Second Affiliated Hospital (Jiangsu Province The Second Hospital of Chinese Medicine)	100512 Acupuncture Moxibustion and Tuina	Effective Patterns and Mechanism in Acupuncture and Moxibustion	

Conferred Degree	Enrolling Department	Specialty	Research Fields	
Academic Masters	013	The Second School of Clinical Medicine, The Second Affiliated Hospital (Jiangsu Province The Second Hospital of Chinese Medicine)	100602 Clinical Integrated Chinese and Western Medicine	Clinical Study of Digestive System Diseases
			105702 Chinese External Medicine	Study of General Surgical Diseases
Professional Masters	013	The Second School of Clinical Medicine, The Second Affiliated Hospital (Jiangsu Province The Second Hospital of Chinese Medicine)	105707 Acupuncture Moxibustion and Tuina	Patterns of Clinical Application in Acupuncture and Moxibustion
			105709 Clinical Integrated Chinese and Western Medicine	Clinical Study of Digestive System Diseases
			105707 Acupuncture Moxibustion and Tuina	Patterns of Clinical Application in Acupuncture and Moxibustion
Professional Masters	014	Nanjing Hospital of Chinese Medicine Affiliated to NJUCM (Nanjing Hospital of Chinese Medicine)	105709 Clinical Integrated Chinese and Western Medicine	Foundations and Clinical Studies of Integrated Chinese and Western Medicine Surgical Diseases
			105709 Clinical Integrated Chinese and Western Medicine	Foundations and Clinical Studies of Integrated Chinese and Western Medicine Surgical Diseases
Academic Masters	028	Nanjing Hospital Affiliated to NJUCM (The Second Hospital of Nanjing)	100201 Internal Medicine	Foundations and Clinical Studies of Hepatic Diseases
			100208 Clinical Laboratory Diagnostics	Foundations and Clinical Studies of Contagious Diseases
			100210 Surgery	Foundations and Clinical Studies of Hepatobiliary Surgical Diseases
			100211 Gynaecology and Obsterics	Foundations and Clinical Studies of Gynecology and Obstetrics
			100214 Oncology	Foundations and Clinical Studies of Oncology
			100217 Anesthesiology	Foundations and Clinical Studies of Anesthesiology
			100218 Emergency Medicine	Foundations and Clinical Study of Emergency Medicine
			105500 Pharmacy	Clinical Pharmacy
			100201 Internal Medicine	Foundations and Clinical Studies of Hepatic Diseases
			100208 Clinical Laboratory Diagnostics	Foundations and Clinical Studies of Contagious Diseases
Professional Masters	035	International Education College	045300 Teaching Chinese to Speakers of Other Languages	Teaching Chinese to Speakers of Other Languages

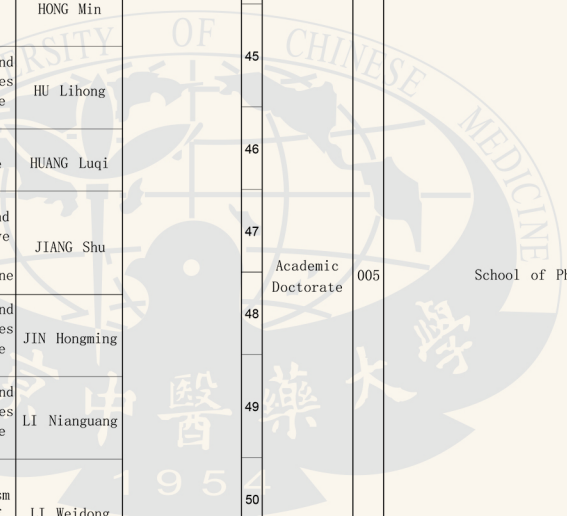

2023 NJUCM DOCTORAL PROGRAMS FOR INTERNATIONAL STUDENTS (ACADEMIC DEGREE) FULL-TIME COURSE

Conferred Degree	Enrolling Discipline and Department	Program Name	Research Field	Mentor/Supervisor		
1	001	School of Chinese Medicine, School of Integrated TCM and Western Medicine	100501	Clinical Foundation of TCM	Clinical Application of the Treatment Theories of the Inner Canon	WU Haoxin
2			100800	Chinese Materia Medica	Research on the Herbal Administration Patterns on Spleen & Stomach and Respiratory Diseases, and Tumours	TANG Decai
3	002	The First School of Clinical Medicine (Jiangsu Province Hospital of Chinese Medicine)	100508	Orthopedics and Traumatology of Chinese Medicine	Clinical Research and Fundamental of Integrative Chinese and Western Medical Treatment for Osteoarthritis	MA Yong
4			100602	Clinical Discipline of Integrative TCM and Western Medicine	Chinese and Western Medical Treatment in Digestive System Diseases	SUN Zhiguang
5			100506	Chinese Internal Medicine	Study of Classical Prescriptions and Syndromes	HUANG Huang
6					Clinical Research and Foundation of TCM Treatment for Rheumatic and Endocrinological Diseases	WANG Yue
7			100506	Chinese Internal Medicine	Clinical and Foundation Research on Chinese Medicine Kidney Diseases	HE Weiming
8			100509	Gynaecology of Chinese Medicine	Foundation and Clinical Research on the Treatment of Polycystic Ovarian Syndrome with Integrated Chinese and Western Medicine	REN Qingling
9					Infertility Clinical Research on ART Assisted Fertility	TAN Yong
10	100512	Acupuncture, Moxibustion and Tuina	Study on the Mechanism of Acupuncture and Moxibustion Effect on Spleen & Stomach Diseases and Stroke in Integrated Chinese and Western Rehabilitation Medicine	SUN Jianhua		
11	003	School of Acupuncture and Tuina, School of Health and Rehabilitation	100512	Acupuncture, Moxibustion and Tuina	Research on the Effect of Chinese Medicine in Preventing and Treating Cardiovascular System Diseases	GU Yihuang
12					Research on Acupuncture & Moxa Fertility Support and Schools	XIA Youbing

Conferred Degree	Enrolling Discipline and Department	Program Name	Research Field	Mentor/Supervisor		
13	004	School of Medicine & Holistic Integrative Medicine	100601	Foundation of Integrative TCM and Western Medicine	Brain (Cerebral) Mechanisms in Neurological and Mental Disorder, and TCM Intervention Strategy	GUAN Xiaowei
14			100800	Chinese Materia Medica	Research on Onset Mechanism and Preventative Medicine for Degenerative Neural Diseases	GUO Jun
15					Research on Discovery and Optimization of Molecules in New Natural Medicine Resource	LIU Wukun
16					Membrane Channels and Metabolic Regulation and High Flux Screening of Chinese Medicine	MA Tonghui
17					Development of new Chinese Medicine Preparation Forms and Intervention on Biological Mechanism of Tumours	QI Ruogu
18					Pathogenesis and Drug Discovery of Malignant Tumours	YANG Ye
19					Study on the Mechanism of Microorganism-Intestine-Brain Axis Regulation of Nervous System Diseases and Intervention Strategies of Chinese Medicine	ZHU Lifeng
20					100800	Chinese Materia Medica
21			Research on Discovery and Optimization of Molecules in New Natural Medicine Resource	CHEN Jichao		
22			Research on Innovative Chinese Medicine Preparation and Transformation Application	CHEN Jun		
23			Chinese Medicine Immunopharmacology	CHEN Wei		
24			Research on TCM Intervention in Tumor Progression and Metastasis	CHEN Wenxing		
25			005	School of Pharmacy	Research on New Pharmaceutical Forms, Excipients and Technology of TCM Preparations	CHEN Zhipeng

Conferred Degree	Enrolling Discipline and Department	Program Name	Research Field	Mentor/Supervisor	
26	Academic Doctorate 005	School of Pharmacy	100800 Chinese Materia Medica	Research on New Pharmaceutical Forms, Excipients and Technology of TCM Preparations	DI Liuqing
27				Chemistry and Cyclic Utilization of Chinese Medicinal Resources	DUAN Jin'ao
28				Research in Chinese Materia Medica Resources and Resource Chemistry	GU Wei
29				Research of TCM Intervention in Autoimmune/ Endocrine Diseases	GUO Jianming
30				Research of TCM Intervention in Autoimmune/ Endocrine Diseases	HONG Min
31				Research on Discovery and Optimization of Molecules in New Natural Medicine Resource	HU Lihong
32				Chemistry and Cyclic Utilization of Chinese Medicinal Resources	HUANG Luqi
33				Discovery, Research and Application of Effective Substances in Chinese Medicine/ Natural Medicine	JIANG Shu
34				Research on Discovery and Optimization of Molecules in New Natural Medicine Resource	JIN Hongming
35				Research on Discovery and Optimization of Molecules in New Natural Medicine Resource	LI Nianguang
36				Research on Transformation Mechanism and Standardization of Processing Chinese Materia Medica	LI Weidong
37				Research on Identification and Quality Evaluation of Chinese Medicine	LIU E'hu
38				Chemistry and Cyclic Utilization of Chinese Medicinal Resources	LIU Haifeng
39				Research on Discovery and Optimization of Molecules in New Natural Medicine Resource	LIU Zhongquan
40				Research on Transformation Mechanism and Standardization of Processing Chinese Materia Medica	LU Tulin

Conferred Degree	Enrolling Discipline and Department	Program Name	Research Field	Mentor/Supervisor	
41	Academic Doctorate 005	School of Pharmacy	100800 Chinese Materia Medica	Research on TCM Intervention in Tumor Progression and Metastasis	LU Yin
42				Pharmacological Study on Analgesic Effect of Combination of Acupuncture and Chinese Medicine	LV Zhigang
43				Compatibility Principles of Chinese and Innovative Medicine	MA Hongyue
44				Discovery and Application Research on Effective Substances in Chinese Medicine/ Natural Medicine	PENG Guoping
45				Discovery and Application Research on Effective Substances in Chinese Medicine/ Natural Medicine	TAN Renxiang
46				Research on TCM Intervention in Tumor Progression and Metastasis	WANG Aiyun
47				Research on Discovery and Optimization of Molecules in New Natural Medicine Resource	WANG Bo
48				Research on Discovery and Optimization of Molecules in New Natural Medicine Resource	WANG Nanxi
49				Research on New Pharmaceutical Forms, Excipients and Technology of TCM Preparations	WANG Yiwei
50				Study on the Mechanism of Detoxification and Synergistic Effect in Herbal Medicine	WU Hao
51				Research on Identification and Quality Evaluation of Chinese Medicine	WU Qinan
52				Research on New Pharmaceutical Forms, Excipients and Technology of TCM Preparations	XIAO Wei
53				Discovery and Application Research on Effective Substances in Chinese Medicine/ Natural Medicine	SU Shulan

Conferred Degree	Enrolling Discipline and Department	Program Name	Research Field	Mentor/Supervisor
54	005 School of Pharmacy	100800 Chinese Materia Medica	Transfer Process and Control Technology Research for Quality of Chinese Medicine Preparation	YAN Guojun
55			Discovery and Application Research on Effective Substances in Chinese Medicine/Natural Medicine	YAO Weifeng
56			Research on Discovery and Optimization of Molecules in New Natural Medicine Resource	ZHANG Yinan
57			Chemistry and Cyclic Utilization of Chinese Medicinal Resources	ZHAO Ming
58			Research in TCM Prevention and Treatment on Chronic Liver Disease and Tumor	ZHENG Shizhong
59			Research of TCM Intervention in Autoimmune/ Endocrine Diseases	ZHOU Lingling
60			Research and Application of New Methods and Technology for Chinese Medicine (Materia Medica) Analysis	ZHU Dong
61	005 School of Pharmacy	100800 Chinese Materia Medica	Research on Applicable Technology for Chinese Medicine Separation Process	ZHU Huaxu
62	007 School of Nursing	101100 Nursing	Nursing Management, Geriatric Nursing	BAI Yamei
63			TCM Nursing, Geriatric Nursing	XU Guihua
64	011 Institute of Literature in Chinese Medicine	100503 History and Literature of TCM	Research on Schools and Literature of TCM	CHEN Renshou
65			A.I and Big Data Analysis for Chinese Medicine	HU Kongfa
66			Literature Research and Clinical Application on TCM Prescriptions, Exploring and Inheriting of Famous TCM Physicians, their Schools and Ideology	WU Chengyan
67	013 The Second School of Clinical Medicine, The Second Affiliated Hospital (Jiangsu Province The Second Hospital of Chinese Medicine)	105707 Acupuncture, Moxibustion and Tuina	Acupuncture and Moxibustion Theory and Theory to Clinical Application	ZHANG Jianbin
